Front row (left to right) Tammy Mills, Donna Brooks, Scott Dennis, Paul Poland, Cathy Davis, Laurie Littlefield. Absent: Kim Klardt and Debra Buck.

MUSIC STUDENTS AT TELSTAR IN W. MAINE MUSIC FESTIVAL — What is a Western Maine Music Festival? It's a musical festival that involves music students chosen at random from the western half of Maine. These lucky students who are chosen are chosen performed in a band, treble chorus, mixed chorus or orchestra. The following Telstar students made it into the following performing groups: in band—Tim Mills, Tammy Mills, Donna Brooks, and Cathy Davis; in treble chorus (an all female chorus) Susan Ellisworth, Cathy Littlefield, Kim Coolidge, Laurie Littlefield, Kim Klardt, Debbie Buck; in the mixed chorus—Patti Savage, Lellani Poland, Penny Savage, Becky Cobb, Scott Dennis and Richard Croteau. No one from Telstar was selected for orchestra. Only three other students who did apply didn't make it. This year's concert will be at Oxford Hills High School on Nov. 17, Saturday, at 7:30. The ticket is invited. — Publicity, Bethel Davis.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The only impact we have felt as a result of the energy crisis is permission to reduce the chlorine content of the effluent being discharged from the sewage plant. The distributors of chlorine are attempting to supply their customers through a self-styled rationing system.

There will be a meeting of School and Town Officials of the area at Mexico High School on Nov. 29 to discuss the various aspects of forming the Vocational School Area we must participate in. It would appear from the limited information we have at this time, the transportation will be the greatest problem. The first item to be resolved is to decide how many representatives each town will have on the governing board.

I attended a meeting called by the County Commissioners to discuss the possibility of implementing a food stamp program in the county to take the place of Donated Commodities which will be discontinued next spring or summer. More meetings will be held on the subject as information becomes available.

REGULAR SESSION OF S. A. D. 44 BOARD TO BE HELD AT TELSTAR MONDAY, NOV. 19

The S. A. D. 44 board of directors will hold a regular meeting in the Lecture Hall at Telstar Regional High School on Monday evening, Nov. 19, at 7:30.

Agenda items will include the second reading of a proposed board policy relating to "Public Relations"; possible return of the West Bethel School property to the town of Bethel, and possible action on adoption of a statement of District Philosophy Goals.

Present plans call for activation of the Ad Hoc Committee for Educational Planning, S. A. D. 44. Although the complement of "public" voluntary members of the committee falls far short of the maximum authorized when it was established by the board, it is felt that it should be activated without further delay. As the result of the board's action in setting up the panel, the members of the group from each town are not to exceed five in number.

A discussion is scheduled concerning the Teacher-Parent Conference as a means of conveying reports of student progress in grades K-6. This method would supersede traditional "rank cards," but would not eliminate "rank cards."

ENERGY SAVING CHECKLIST DISTRIBUTED BY UTILITY

In its Lamplighter publication, which is mailed to 317,000 customers along with electric service bills, Central Maine Power Co. has presented a checklist of tips to help save energy and cut fuel bills. The checklist was prepared by Virginia H. Knauer, special assistant to President Nixon for consumer affairs, who has declared November Consumer Energy Conservation Month.

The tips include turning thermostats down 10 degrees at night, closing shades and drapes to cut heat loss, installation of six inches of insulation in attics, use of storm doors and windows, Mrs. Knauer advises consumers to have qualified persons tune up heating systems to insulate heating ducts and hot water pipes, and to close off and not heat unused rooms and attics.

GOOD CROWD AT LOCKE MILLS ARMISTICE DAY PARADE

An enthusiastic crowd lined the streets of Locke Mills on Nov. 11, for the second annual Armistice Day Parade.

Several floats were entered, adding to the marching units of Boy Scouts, Brownies, Legionnaires and their Auxiliary. One group of 40 and 8's were carrying their banner.

The Telstar Band was in its usual good form and was very colorful. Everyone enjoyed their music, and were happy that the Comets came from South Paris and Norway and joined in the march. Thanks boys and girls!

The Marshal, Alanson Cummings, was followed by the color guard, the Telstar Band and the helmeted firing squad.

After circling the Knoll, the parade halted at the Honor Roll for a prayer by Chaplain Cleveland Loefer, the volley, the taps, and The Star Spangled Banner, then proceeded to disband at the Legion Hall.

During the clam dinner which was well patronized, the judges awarded the prizes on the floats. First place went to the "Two Jims" flag-racing float, entered by the Boy Scouts; second winner was "Sign of the Armistice" in 1918, done by Harold Smith, and third place was the Daughters of Union Veterans entry, "Uncle Sam."

Judges were George Ames of Oxford, Merle King of Bryant Pond, and County Commander Maurice Boscard of Bethel.

Bryant Pond Grange was represented by their Master, Stephen Swenson.

General Chairman Warren Smith announced that Roland Smith received the tape player and John Gauglin, Jr. of South Paris the TV.

The Jackson Silver Post and Unit wishes to thank all those who helped to make the day's activities a big success.

There will be no meeting on Nov. 15, but the benefit dance will be held Saturday night, Nov. 24.

AVOID LAST MINUTE RUSH — REGISTER YOUR SNOWMOBILE NOW

With the first snowfall practically upon us, Maine's snowmobilers are urged to take care of their registrations now, to avoid the proverbial rush.

Lorenzo A. Gaudreau, Director of the Snowmobile Registration office in Augusta, says the registrations are lagging nearly 3,000 behind last year at this time. Nevertheless, he intends to continue giving registrants the "here today, gone tomorrow" service made possible in previous years by early registrations.

"If you wait until the first snowfall to register your machine, the lines will be long, and your 15-minute wait could turn into hours," Gaudreau said. "In past years, we have been able to give one-day service, and we'd like to continue. It's easier on everyone—waiting in line and working in the office—if people get their snowmobiles registered early."

Gaudreau added that, due to action by the last Legislature, Maine now has reciprocity with New Hampshire, Vermont, and the provinces of Quebec and New Brunswick only. Maine snowmobilers may operate in these four areas with Maine registrations, and snowmobilers from the four reciprocal areas may use their registrations to operate in Maine. Snowmobilers from all other states, according to Gaudreau, must be legally registered in Maine in order to operate here. But a new regulation permits them to use the Maine decal and registration certificate only, and does not require them to replace their state's numerals with Maine numbers.

NORTHWEST BETHEL

Mrs. Louise B. Chapman, Corres. —

It's that time of year when each morning you wake up not knowing if it will be white outside or not. The snowmobile is ready and all tuned up, all it needs is a cushion of snow under it. The closet is filled with snowsuits and parkas, and heavy winter boots. Mittens have been gathered together and sorted out, and hats and scarfs are on stand-by. It's time for planning big Thanksgiving dinner and time for making ready for Christmas and that special visitor. The "holiday season" is a busy time of year, with hurrying and running around. There is a lot of joy and happiness to share, and a lot of secrets to keep.

Mary Chapman has returned with her sister, Betsy Grenier and children. Dee Dee and Pat, to just a Lawrence, Mass., for a weeks visit. happy day!

They had been visiting with her parents, Mr. and Mrs. Franklin Chapman.

Terry Mason and Christine Smith are enjoying the good weather and are taking advantage of it for horseback riding.

Mrs. Judy Coolidge is now practicing teaching in Mrs. Cross' kindergarten class at Ethel Bisbee School.

Mr. and Mrs. Lee Billings and Suzanne and Mr. and Mrs. Edgar Davis, North Woodstock, were Sunday callers on Mr. and Mrs. Alan Chapman and girls.

Ernest Angevine, Richard Angevine and Ricky, and Victor Coolidge were out hunting last Saturday and stopped by for awhile. They were among quite a few hunters trying their luck up this way.

It's hard to believe that in just a week's time, Thanksgiving will be a delicious memory. Have a happy day!

In loving memory of our loved one, who passed away Nov. 18, 1972.
It is loneliness here without you
We miss you more each day
For life is not the same to us
Since you were called away.
Our hearts still ache with sadness
Our eyes still shed many a tear
Only God alone knows how we miss you
At the end of this long year,
Sadly missed by your wife,

They have gone over their goal (extras will be distributed where needed).

We appreciate the kindness of the people in and outside of the District. One person left 100 labels in a bundle at the Bethel IGA. Some are mailing labels from out of the towns (10 labels can be mailed to us for an 8 cent stamp.)

Mrs. Mary Lowell Langlois, a former resident of Bethel, has sent labels from Vermont. I have Mrs. Langlois' permission to quote her letter:

"Enclosed are 10 Campbell soup labels to help your campaign in obtaining audio-visual equipment needed by the school. I attended Bethel schools from Kindergarten through graduation at Gould, so I am making every effort to obtain labels from all my friends here in Bennington, Vermont.

"I only hope people realize such a task which takes so little time will provide a better education for children who otherwise might not have the opportunity."

What else can we say? Do your part. We have until Dec. 8. If you

TELSTAR F. H. A. CHAPTER ASSISTING BRAZILIAN GIRL THROUGH CHILDREN'S FUND

Eliana Dantas de Castro

A needy 13-year-old girl in Belo Horizonte, Brazil, has better hopes for the future thanks to the help she receives from the Telstar Chapter of the Future Homemakers of America in Bethel.

The 20 future homemakers are sponsoring the girl, Eliana Dantas de Castro, through the Christian Children's Fund.

"We wanted to do something that would be enjoyable and worthwhile," said Miss Robin Lynn Dooen, president of the group.

Eliana has known much poverty and hardship. Her father is in poor health and cannot provide adequately for his family with his meager disability compensation. Finally, Eliana's parents asked for assistance.

Through the sponsorship plan of the Christian Children's Fund, the Telstar teenagers contribute \$12 a month toward Eliana's support. Their efforts have helped provide her with food, clothing and school supplies.

Miss Dooen said her group helps support Eliana through regular dues, food sales and other money-raising projects.

"She always writes back," Miss Dooen said. "And she always gives us nice and good ideas in her letters of the different ways we have benefited her. We enjoy reading her letters."

Miss Dooen believes the FHA have also benefited from their involvement with Eliana.

"We are glad to know," she said, "that we can be of help to a young girl."

The Christian Children's Fund, with headquarters in Richmond, Va., helps needy children in 60 countries.
